NOTE: If you find Gmaj too hard to finger, try Bm in its place. Not as accurate, but a hell of a lot easier. (from Learning to Crawl, 1983)

Back on the Chain Gang" (The Pretenders)

There are about three versions of this already in the archive, but none of them is quite right. This one's a little better; someone sent it to me last fall, and I recently cleaned it up because I wanted to play it.

Unfortunately, this might still have mistakes; I can't check because I don't have the album. I'll have to see if I can get them to play it on the radio...
