If I'm looking kind of dazzled
                                                                                 B

I see neon lights
                                                                        Gbm

                                                               They just pass on the street
Whenever you walk by

If you say hello and I take a ride
                                                               But there's something in the air

That go off when you smile
