

# The Pretenders - Dont Get Me Wrong Acoustic

Tom: **F** familiar.....i see...

just done it from memory. haven't got the record - don't know **F**  
the lyrics.

if you are playing acoustic emphasis the bass note and the b & neon lights.....whenever  
g strings through out.

oh it sounds better with a capo on three aswell. **G**

G(let ring) **C** you walk.....don't get me....

don't get me **Am** wrong. if i sound over...  
brige comprises same chords. easy to work out.  
comments? constructive criticism?
