figure out the solo. Maybe later.

Transcription: Mike Dare

The song starts out in C. Opening chord progression is: C, Am(x02210), F, G

C Am F G C

C Am F G C

C Am F G

C Am F G
I think I know, some things wherever I go

C Am
You think it's wrong. I can tell you do.

F Dm(x00231) G
How can I explain, when you don't want me to.

C Am F G C

C Am F G

C Am F G
I know you know, what I'm about, I won't deny it.

C Am
But you forget. You don't understand.

F Dm G
You've turned your head. You've dropped my hand.

Am F Am F Am F G
All my sorrow, all my blues, all my sorrow - ow -ow

C The song now changes key to E right before to solo. The chord progression is now: E, C#m(x46654), A(x02220), B(x2444x).

E Dbm A B
Shut the light, go away, fool of grace, and cover your face

E Dbm A B
You think it's wrong. I can tell you do.

E Dbm A B E Dbm A B
I know, angry tears today, you won't let them go

Outro Solo (simple, yet effective)
