Tom: G

^E
There's blue skies all around me
^D
And the world looks just the same
^E
It's hard to be criminal
^C
when you all know my name
^E ^D
Sometimes I wonder
^C ^E
Sometimes I wanna be free
^E ^D
Well, you can be king of me
^C ^G
And I'll be the queen

^E ^D
No one listens to me
^C ^E
The words I have to say
^E ^D
There ain't no doubt about it
^C ^E
I'm just trying to get away
^D ^C
I'm going back to the river
^E
Where no one will find me
^D ^C
We're going back to the river
^E
Back to the sea

^E ^D
When I was just a baby
^C ^E
My mama taught me
^E ^D
"Girl, you best believe in Jesus
^C ^E
If you'll make it in the world"

^D ^C
I'm going back to the river
^E
Where no one knows my name
^D ^C
I'm going back to the river
^E
Back to the Seine
Here we go

^E ^D
There's blue skies all around me
^C ^E
And the world looks just the same
^E ^D
It's hard to be criminal
^C ^E
When they all know your name
^E ^D
Sometimes I wonder
^C ^E
Sometimes I wanna be free
^E ^D
Well, you can be king of me
^C ^G
And I'll be the queen

^E ^D
No one listens to me
^C ^E
The words I have to say
^E ^D
There ain't no doubt about it
^C ^E
I'm just fading into gray
^E ^D
I'm going back to the river
^C ^E
Where the devil can't find me
^E ^D
I'm going back to the river
^C ^E
Back to the sea
