

# The Pretty Reckless - Take Me Down

Tom: G

Intro: E G D E C D  
E G D E

Waitin' at these crossroads forever and a day

On a guy to buy my soul

I spend all night and day

How much harder can I play?

You know I gave my life to rock n' roll, n' roll

Mama begged me please

Yes, she got down on her knees

Said "you'll burn in that Mississippi sun"

But I'm the only one that's standing here

So mama don't you have no fear

I'll be the last 'til I've already won

Here I go

Take me down

Take me down

Take me down

Won't you take me down

Standin' at the crossroads a dried up pen in hand  
The conversation went like this

Tell me your desire  
Why you pulled me from the fire  
And sealed the deal with a kiss  
Cause I wanna raise the dead  
Find a note that I can shred  
On my walls I scrawl my gods  
Don't care what happens when I die  
As long as I'm alive all I wanna do is rock, rock, rock

Take me down  
Take me down  
Take me down  
Won't you take me down

Oh, sign with the devil, sign with the devil, sign with the devil  
Oh! sign with the devil, sign with the devil, sign with the devil  
Oh! sign with the devil, sign with the devil, sign with the devil  
Oh! sign with the devil, sign with the devil, sign with the devil  
Oh!  
Oh!

Take me down  
Take me down  
Take me down  
Won't you take me down

Take me down  
(Sign with the devil, sign with the devil, sign with the devil)  
Take me down  
(Sign with the devil, sign with the devil, sign with the devil, oh)  
Won't you take me down  
(Sign with the devil, sign with the devil, sign with the devil)  
Down  
(I got a record deal)
