

The Pretty Reckless - Take Me Down

Tom: G

Waitin' at these crossroads forever and a day

On a guy to buy my soul

I spend all night and day

How much harder can I play?

You know I gave my life to rock n' roll, n' roll

Mama begged me please

Yes, she got down on her knees

Said "you'll burn in that Mississippi sun"

But I'm the only one that's standing here

So mama don't you have no fear

I'll be the last 'til I've already won

Here I go

Take me down

Take me down

Take me down

Take me down

Won't you take me down

Standin' at the crossroads a dried up pen in hand

The conversation went like this

Tell me your desire

Why you pulled me from the fire

And sealed the deal with a kiss

Cause I wanna raise the dead

Find a note that I can shred

On my walls I scrawl my gods

Don't care what happens when I die

As long as I'm alive all I wanna do is rock, rock, rock

Take me down

Take me down

Take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down

Won't you take me down
