

# The Pretty Reckless - Who You Selling For

Tom: C

2x D G D G  
 In the middle of a dream  
 On the darkest night  
 Woke up in a scream  
 Thought I'd lost my sight  
 Who you selling for tonight?  
 Pack my bags, time to fly  
 Don't be sad  
 I'm not that high  
 Who you selling for tonight?  
 Who you selling for tonight?  
 Who you selling for tonight?  
 Who you selling for?  
 Tonight it's alright

I can see the tunnel at the end of these lights  
 And when Travis called I didn't even answer  
 John was a walrus but he ain't no dancer like Paul  
 Know it all  
 And when Roger showed me I was building a wall  
 I've been waiting a long time  
 Waiting a long time  
 Waiting a long time  
 Waiting for it to fall  
 Who you selling for tonight?  
 Who you selling for tonight?  
 In the middle of a dream  
 On the darkest night  
 Or so it seems  
 But I think I'm right
