

The Pretty Reckless - Who You Selling For

Tom: C

2x D G D G
 In the middle of a dream
 On the darkest night
 Woke up in a scream
 Thought I'd lost my sight
 Who you selling for tonight?
 Pack my bags, time to fly
 Don't be sad
 I'm not that high
 Who you selling for tonight?
 Who you selling for tonight?
 Who you selling for tonight?
 Who you selling for?
 Tonight it's alright

I can see the tunnel at the end of these lights
 And when Travis called I didn't even answer
 John was a walrus but he ain't no dancer like Paul
 Know it all
 And when Roger showed me I was building a wall
 I've been waiting a long time
 Waiting a long time
 Waiting a long time
 Waiting for it to fall
 Who you selling for tonight?
 Who you selling for tonight?
 In the middle of a dream
 On the darkest night
 Or so it seems
 But I think I'm right
