

The Proclaimers - Cap in Hand

tom:

Intro: D D D D Dadd9 D

I could tell the meaning of a word like serene

I got some 'O' Grades when I was sixteen

I can tell the difference between margarine and butter

I can say "Saskatchewan" without starting to stutter

But I can't understand why we let someone else rule our land

We're Cap in Hand

I could get a broken jaw from being in a fight

I know its evening when day turns to night

I can understand why Stranraer lie so lowly

They could save a lot of points by signing Hibs Goalie

But I can't understand why we let someone else rule our land

We're Cap in Hand

We fight, when they ask us

We boast, then we cover

We beg

For a piece?
Whats already ours

We fight, when they ask us

(G D A D)

We boast, then we cover

We beg

For a piece?
Whats already ours

Once I thought I could make God a bribe
So I said I was in his lost tribe

Getting handouts can be so frustrating
"Get in line son, there's five million waiting"

(A D G D A)

But I can't understand why we let someone else rule our land

(D)

We're Cap in Hand

But I can't understand why we let someone else rule our land

But I can't understand why we let someone else rule our land

We're Cap in Hand

We're Cap in Hand

We're Cap in Hand

We're Cap in Hand

(A D G D A)

But I can't understand why we let someone else rule our land
