And my family

When I left school I was bummin' around
I'd smoke and drink and let my mind wander
I'd roll out of bed about twelve o'clock
I can't do that any longer

I've gotta follow the money

Gotta go to work
Gotta make a living

Till my body hurts
Gotta bite my lip

Gotta wreck my health
Gotta break my back

For my share of wealth

Now I need to toil 'cause it's good for my soul

I feel clean when I'm working
You drop all the mystical Celtic bull

Cause that stuff's just jerking

I'm not saying that I work like my dad

I know I don't work like my mum
But I'm made of the same stuff

And I'm six feet tall
Gimme the tools I'll get the job done

Gotta follow the money

Gotta go to work
Gotta make a living

Till my body hurts
Gotta bit my lip

Gotta break my back
For my share of wealth

I've gotta follow the money

Gotta earn my pay
I spent everything

I earned yesterday
Gotta find the cash

Cause it won't find me
So I can feed myself

And my family
Feed myself and my family

That's why

I'm working

I'm working

I'm working

I'm working

I'm working

I'm working now
