

The Raconteurs - Shine The Light On Me

tom:
 Ooh, what can you do?
 Ooh, what does it prove love
 New lov comes so, what can you do?

When you're searching in the dark
 It doesn't matter if you're blind does it?
 Can't you see?
 That even lightning's just a spark
 But it's so enlightening when you need to
 Shine the light on me

Ooh what can you do now?
 Ooh if only we knew?
 Ooh what does it prove love
 New love
 Comes so, what can you do?

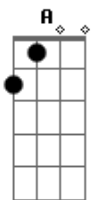

My hands are colder when you're gone
 It makes it hard to play the notes I write
 To warm your mind
 And nothing's colder than a song
 That's never played in a pile of papers
 Left behind

And only God can know
 How the story goes
 Over, and over again
 But we don't need to know
 How the flowers grow
 Let's just be happy they can

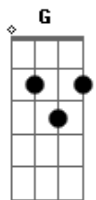

When you're searching in the dark
 It doesn't matter if you're blind does it?
 Can't you see?
 That even lightning's just a spark
 But it's so enlightening when you need to
 Shine the light on me

Oh what can we do?
 Oh what can we do?
 Oh what can we do?
 Shine the light on me
 Oh what can we do?
 Shine the light on me
 Oh what can we do?
 Oh what can we do?
 Shine the light on me
 Oh what can we do?
 Shine the light on me
 Oh what can we do?
 Shine the light on me
 Oh what can we do?
 Shine the light on me
 Oh what can we do?
