

# The Rasmus - Dangerous Kind

Tom:

Intro: G G Bm  
G G Bm

You got me in this situation, you got me backed against the wall  
Caught in a web of your creation, I bet you set me up to fall  
Once I thought about it, I figured out your wicked ways  
(Once I thought about it, I figured out your wicked ways)  
Gb7 There's no doubt about it, you'd sell your soul to seal the case

Oh-oh! You're the dangerous kind

Now look at what you've done to me

What you've done to me baby  
You've gotta criminal mind

Your motive is to plant a seed

Now I'd kill for you baby

Oh-oh! Oh-ooh-ooh-woah!

You've got a shady reputation, from bed to bed to man to man

Once you deliver your temptation, no one can stop your masterplan

Don't try to lie about it, I don't believe a thing you say

(Don't try to lie about it, I don't believe a thing you say)

The more you try to hide it, the more the lies show on your

face

Oh-oh! You're the dangerous kind

Now look at what you've done to me

What you've done to me baby  
You've gotta criminal mind

Your motive is to plant a seed

Now I'd kill for you baby

Oh-oh! Oh-ooh-ooh-woah!

You're the dangerous kind

Oh-oh! Oh-ooh-ooh-woah!

I've been sleeping with the enemy

Now I'm doing the time, paying up for the crime

Guess you took everything you could from me

Oh-oh! You're the dangerous kind

Now look at what you've done to me

What you've done to me baby

You've gotta criminal mind

Your motive is to plant a seed

Now I'd kill for you baby

Oh-oh! Oh-ooh-ooh-woah!

You're the dangerous kind

Oh-oh! Oh-ooh-ooh-woah!
