## **The Rewinders - Tow Truck Co-Pilot**

```
She changed the radio this morning
                           tom:
                                                              В
                                                                              E
                                                              You don't even know what's turning
               Е
                                                                  Gb
                                                                                           Gb7
           [Primeira Parte]
                                                              But you know what it's all about
        Е
В
                                                              B
                                                                          Е
                                                              Hey, honey, I love you
B
Tow truck co-pilot
                    E.
                                                                                        F
   B
                                                              And you know I'll always be right here
B
E
You ride around with me for hours
                E
В
Move your head to music that you
                                                              Shotgun and I'll help you steer
Gb
                                                                     Gb
                 Gb7
Don't even really like
                                                              But you don't even know what it's like
                                                              Go, put up your controls, you see
В
           F
Hey, honey, I love you
                            F
                                                              [Refrão]
B
We just towed our hundredth car this week
                                                              [Solo] B E B E B E Gb Gb7
B E B E B E Gb Gb7
                    Е
When you get out it makes me weak
     Gb
And I don't even know what it's like
                                                              [Refrão]
Go, put up your controls, you see
                                                              В
                                                                                 Е
                                                              I'm a deer in the headlights
[Refrão]
                                                              B
                                                                                 F.
                                                              I'm a deer in the headlights
В
                  Е
                                                                                Е
                                                              В
I'm a deer in the headlights
                                                              I'm a deer in the headlights
