

The Rolling Stones - Almost Hear You Sigh

Tom: E

(intro 3x) A A B B

(verso)

I can almost hear you sigh
 I can almost hear you cry
 On every crowded street
 All the places we would meet

(verso)

What would I do without you
 They say that life goes on
 I'm feeling sorry for myself
 I can't believe you're gone

(refrão)

You acted much to calm
 You turned on all your charm

You had a cold look in your eyes

(interlúdio)

000 oo oo o o o o oo oo
 000 oo oo o o o o oo oo

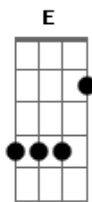

(verso)

I can feel your tongue on mine
 Silky smooth like wine
 I'm living with those memories
 That's all that's left of you and me

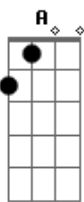

(refrão)

I can almost hear you sigh
 Almost hear you cry
 When you made sweet love to me
 And you turned on all the charm
 Acted much too calm
 You had a cold look in your eyes
