

# The Rolling Stones - Angie Solo

Tom: F

Angie

Guitar Solo from the live/unplugged Version on the album "stripped". This Solo is played instead of the Piano Solo in the Orig. Version  
Tabbed by Bjoern.E

-----

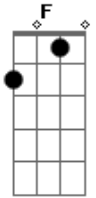

In memory to my gerbil called "speedy" who died on 6th april 2001

-----  
Mick sings: "...where will it lead us from here? Yeah! "

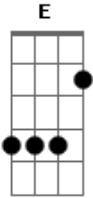

Then the guitar starts:
