

The Rolling Stones - Before They Make Me Run

Tom: **G**

First there is the opening riff as follows:

While I'm at it, I'll get all of the tab out of the way first. Here is

the tab for the chorus parts:

After All is said and done

I gotta move while it's still fun

I better walk before they make me run

Some chords you'll need to know in open **G**

D G D G B D

G 0 0 0 0 0 0 and also 12 12 12 12 12 12

C 5 5 5 5 5 5

D 7 7 7 7 7 7

Emin x 9 9 9 x x

F 10 10 10 10 10 10

Bb 3 3 3 3 3 3

A common Keith chord is like you see on the fourth chording in the

opening riff. It is like hammering on the same chord position you would

call in standard (concert) guitar tuning for **A** minor augmented.

For a **C** position chord, the hammer on would go:

B D D G D G B D D G D G

Acordes

C-chord 5 5 5 5 5 5 hammer on F-chord 5 5 7 5 6 5

If you can do this, you can play Start Me Up, Brown Sugar, etc. etc.

etc...

Well here's another goodbye to another good friend

(use chorus tab)

After all is said and done

I better move while it's still fun

I better walk before they make me run

Watched the taillights fading, there ain't a dry eye in the house

They're laughing and singing

Started dancing and drifting as I left town

Gonna find my way to heaven, 'cause I did my time in hell

I wasn't looking too good but I was feeling real well

After all is said and done

I better move I had my fun

I better walk before they make me run

After all is said and done

I better move, it's still fun

I better walk before they make me

I better walk before they make me

I better walk before they make me run
