

The Rolling Stones - Blue Turns To Grey

Tom: C

So now that she is gone
 You won't be sad for long
 For maybe just an hour or just a moment
 Of the day
 Then blue turns to grey
 And try as you may
 You just don't feel good
 You don't feel alright
 And you know that you must find her, find her, find her
 You think you'll have a ball
 And you won't care at all
 You'll find another girl or maybe more
 To pass the time away
 Then blue turns to grey
 And try as you may

You just don't feel good
 You just don't feel alright
 And you know that you must find her, find her, find her
 She's not home when you call
 So you can go to all
 The places where she used to go
 But she has gone away
 Then blue turns to grey
 And try as you may
 You just don't feel good
 You don't feel alright
 And you know that you must find her, find her, find her
 Blue turns to grey (blue turns to grey)
 She has gone away (blue turns to grey)
 I feel so bad (blue turns to grey)
 I wish you'd come on home (blue turns to grey)
 I feel, I feel so down...
