

# The Rolling Stones - Blue Turns To Grey

Tom: C

So now that she is gone  
 You won't be sad for long  
 For maybe just an hour or just a moment  
 Of the day  
 Then blue turns to grey  
 And try as you may  
 You just don't feel good  
 You don't feel alright  
 And you know that you must find her, find her, find her  
 You think you'll have a ball  
 And you won't care at all  
 You'll find another girl or maybe more  
 To pass the time away  
 Then blue turns to grey  
 And try as you may

You just don't feel good  
 You just don't feel alright  
 And you know that you must find her, find her, find her  
 She's not home when you call  
 So you can go to all  
 The places where she used to go  
 But she has gone away  
 Then blue turns to grey  
 And try as you may  
 You just don't feel good  
 You don't feel alright  
 And you know that you must find her, find her, find her  
 Blue turns to grey (blue turns to grey)  
 She has gone away (blue turns to grey)  
 I feel so bad (blue turns to grey)  
 I wish you'd come on home (blue turns to grey)  
 I feel, I feel so down...
