

# The Rolling Stones - Carol

Tom: D

Oh, Carol <sup>Eb</sup>  
 Don't let him steal your heart away <sup>Bb</sup>  
 I'm gonna learn to dance <sup>F</sup>  
 If it takes me all night and day <sup>Eb</sup> <sup>Bb</sup>

<sup>Bb</sup>  
 Climb into my machine so we can groove on out  
 I know some swinging little joint where we can jump and shout

<sup>Eb</sup>  
 It's not too far back on the highway not so long a ride  
 You park the car out in the open you can walk inside

<sup>F</sup>  
 A little cutie takes your hat and you can thank her ma'am  
 'Cause every time you make the scene you find the joint is jammed

(intro)

Oh, Carol  
 Don't let him steal your heart away  
 I'm gonna learn to dance  
 If it takes me all night and day

(intro)  
 (solo)

Now, if you want to hear some music like the boys are playing  
 Hold tight, bang your foot don't let it carry you away  
 Don't let the heat overcome you when they play so loud  
 Won't the music intrigue you when they get a crowd  
 Well you can't dance I know you would you could  
 I got my eyes on you, baby, cause you dance so good

(intro)

Oh, Carol  
 Don't let him steal your heart away  
 I'm gonna learn to dance  
 If it takes me all night and day

(intro)

Oh, Carol  
 Don't let him steal your heart away  
 I've got to learn to dance  
 If it takes me all night and day

## Acordes
