

The Rolling Stones - Child Of The Moon

Tom: D

The wind ^D blows ^G rain into my ^D face
 The sun ^G glows at the end of the highway
 Child of the moon, rub your ^A rainy eyes
 Oh, child of the moon
 Give me a wide-^Gawake ^{Gbm} crescent-shaped ^{A7} smile... ^D
 She shivers, by the light she is hidden
 She flickers like a lamp lady vision
 A ^G

Child of the moon, rub your rainy eyes
^A Child of the moon
 Give me a ^G wide-^{Gbm} awake ^{A7} crescent-shaped ^D smile...
 The first car on the foggy road riding
 The last star for my lady is pining
 Oh, child of the moon, bid the sun arise
 Oh, child of the moon
 Give me a ^G misty day, ^{Gbm} pearly gray, ^G silver, ^{Gbm} silky faced
^G Wide-^{Gbm} awake ^{A7} crescent-shaped ^D smile...
