

The Rolling Stones - Dance Little Sister

Tom: G For E Chord section

Album: It's Only Rock and Roll

Year: 1974

This is a rockin' tune off of their '74 LP. Very simple rhythm Bridge

segeunce. Lot's of Mick

improvising in the verses.

Cool solo. I have divided the Keith and Taylor parts into

different sections.

Keith:

Play this pattern throughout pretty much the whole song. Play the A Chord, then the E

E susepended chord sequence,

then back to the A chord. Very simple.

Solo

(He uses a wammy bar for the heavy vibrato on the 17th fret B

(Strums ${\bf G}$ chord in right speaker - as notated - before

string - but if you dont one just play a heavy

playing the lick)

vibrato with your finger)

Bridge

Mick Taylor:

Intro: (Can be heard faintly in left speaker at very start of

song)

After solo - he plays this little thing with the wammy bar a

Bend

few times. Just dip it

He also plays a few more of the fills like listed above

Breakdown

Verse

I don't think Mick Taylor plays the same thing twice

throughout the whole song. Infact,

the whole song it just sounds

like he's improvising. Because of this, I'm not going to tab

out every single thing he

I have however listed a few examples

of the kind of licks he plays during the verses/chorus. Just

play around with these,

etc....that's all he did too.

Solo during last verse

Then just play Versehorus sequence to fade and play some improvisations

Acordes
