

The Rolling Stones - Dont Cha Bother Me

Tom: A

I said Oh no ! Don't cha bother me no more

I said Oh no ! Don't cha bother me no more

Well I'm looking for my face and I got no place to go

I said Oh no ! Don't cha bother me no more

I said Oh no ! Don't cha bother me no more

Well pick your own mine and don't touch mine no more

Well I'm still waiting here for a single idea

In your clothes and your hair , I wore it last year

Oh no ! Don't cha bother me no more

(solo) D A D A E7 A

I said Oh no ! Don't cha bother me no more

I said Oh no ! Don't cha copy me no more

Well the lines a down my eyes are protected by a copyright law

All the clubs and the bars and the little red cars

Not knowing why but trying to get high no,

Don't cha bother me no more

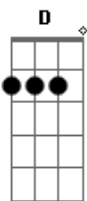

Don't cha bother

Don't cha bother
