 don't know where it's from  
 C G Dm  
 Oh, yes you will find out  
 Dm C G  
 Well, it happens all the time

Dm C G  
 It's censored from our minds  
 C  
 You'll find out  
 Slow or fast, slow or fast, all year, all year  
 End at last, end at last  
 Oh yeah, oh yeah  
 Waiting for someone to come out of somewhere  
 Waiting for someone to come out of somewhere  
 Stand up coming years  
 and escalation fears  
 Oh, yes we will find out  
 Well, like a withered stone  
 Fears will pierce your bones  
 You'll find out  
 Oh we're waiting, oh we're waiting  
 All year, all year  
 Oh we're waiting, oh we're waiting  
 All year, all year  
 Waiting for someone to come out of somewhere  
 Waiting for someone to come out of somewhere  
 Oh we're waiting, oh we're waiting  
 Oh we're waiting, oh were waiting...
