

The Rolling Stones - I Want To Be Loved

Tom: C

The stars in your eyes set my soul on fire
 Your voice is like an angel's above me
 The touch of your hand drives me insane
 But baby, I want to be loved
 I'm crazy 'bout every little thing you do
 I cherish the way you hug me
 Your kiss is so sweet, honey, can't be beat
 But baby, I want to be loved
 Every time I ask you for a date
 You don't come at all, or you're mighty late
 I ask you to dance, take a little spin
 You say "Wait a minute, daddy,

here comes my friend"

I love the way you walk when you pass me by
 Even when you try to snub me
 You kiss me, baby when you give me the eye
 But baby, I want to be loved
 Every time I ask you for a date
 You don't come at all, or you're mighty late
 I ask you to dance, take a little spin
 You say "Wait a minute, daddy,
 here comes my friend"
 I love the way you walk when you pass me by
 Even when you try to snub me
 You kiss me, baby when you give me the eye
 But baby, I want to be loved
