

The Rolling Stones - Miss Amanda Jones

Tom: Gb

Down and down she goes, our Amanda Jones
 I said down and down and down and down
 She'd look really lovely at home
 'Til somebody gonna come up and ask her
 To live happily ever after, Miss Amanda Jones
 On and on she goes little Miss Amanda Jones
 I said on and on and on and on
 just watch her as she grows
 Don't wanna say it very obviously
 But she's living on nobility, Miss Amanda Jones
 Hey girl don't you realize the money invested in you
 Hey girl you just got to find
 Someone who'll really pull your family through

Up and up she goes our Amanda Jones
 I said up and up and up and up
 She looks quite delightfully stoned
 She's the darling of the discotheque crowd
 Of her lineage she's rightfully proud, Miss Amanda Jones
 Hey girl with your nonsense nose all pointing right down at
 the floor
 Hey girl your suspender shows
 And the girl behind you looks a bit unsure
 Round and round she goes the world of Amanda Jones
 I said round and round and round and round
 The balls and the dinners and show
 The little girl she just wanders about
 'Til it's time for her coming out, Miss Amanda Jones
 Round and round and round
 Round and round and round.
