

The Rolling Stones - Miss Amanda Jones

Tom: Gb

Up and up she goes our Amanda Jones

I said up and up and up and up

Down and down she goes, our Amanda Jones

She looks quite delightfully stoned

I said down and down and down and down

She's the darling of the discotheque crowd

She'd look really lovely at home

Of her lineage she's rightfully proud, Miss Amanda Jones

'Til somebody gonna come up and ask her

Hey girl with your nonsense nose all pointing right down at the floor

To live happily ever after, Miss Amanda Jones

Hey girl your suspender shows

On and on she goes little Miss Amanda Jones

Hey girl your suspender shows

I said on and on and on and on

And the girl behind you looks a bit unsure

just watch her as she grows

Round and round she goes the world of Amanda Jones

Don't wanna say it very obviously

I said round and round and round and round

The balls and the dinners and show

But she's living on nobility, Miss Amanda Jones

The little girl she just wanders about

Hey girl don't you realize the money invested in you

'Til it's time for her coming out, Miss Amanda Jones

Hey girl you just got to find

Round and round and round

Someone who'll really pull your family through

Round and round and round.

Acordes
