

The Rolling Stones - New Faces

Tom: D
Intro: (D G A D)

There's a new guy in town
He's been dragging around
He's the figure of youth
And his eyes are so blue
And they're looking at you
So tell me the truth
Well, well, he's got stories to tell
He bites off more than he chews
Well, well, is he ringing your bell
My heart is breaking in two
And his skin is so fair
And it shines like his hair
As he stands so aloof
With an indolent air
And an idolent stare
That just shutters the truth
Well, well, is he ringing your bell

My heart is braking in two
Well, well, he'll be rotting in hell
For playing the devil with you
Is it already too late
No point shutting the gate
Have you already swallowed the bait
And your gone
As he knocks you down cold
As you lose all control
To this slip of a youth
I see fire in his eyes
I see ice in his smile
And i'm learning the truth
Well, well, he's got stories to tell
Of love that is long overdue
Well, well, who is under his spell
Is playing the devil his due
hum, hum, hum.
