A D A

I wanna tell you how it's gonna be

You're gonna give your love to me

I'm gonna love you night and day

Love is love and not fade away

Well love is love and not fade away

And my love is bigger than a Cadillac

I'll try to show it if you drive me back

Your love for me has got to be real

Before you'd have noticed how I feel

Love real not fade away

Love real not fade away

Well love real not fade away

Yeah!

I wanna tell you how it's gonna be

You're gonna give your love to me

Love that lasts more than one day

Well love is love and not fade away

Well love is love and not fade away

Well love is love and not fade away

Well love is love and not fade away

Not fade away
