

# The Rolling Stones - Pain In My Heart

tom:

**Bb**

Pain in my heart

**Bb**

**F7**

Treatin' me poor

Where can my baby be

Lord, no one knows

Pain in my heart

**F7**

Won't let me sleep

Where can my baby be

Lord, where is she

And one day  
My days are gettin' tough

**Bb**

Won't you come back, come back, come back, baby

Lord

Pain in my heart

**F7**

Pain in my heart

**F7**

Won't let me be

**Eb**

**Bb**

Oh, oh, oh, oh, I wake up restless night in misery

Lord

Won't somebody stop this pain

Lord, one day  
My days are gettin' tough

**Bb**

Won't you love me, love me, love me, baby

Pain in my heart

Pain in my heart  
Somebody stop this

Pain in my heart

It's killin' me baby

This pain in my heart

Oh, oh, oh, oh

Pain in my heart

This pain in my heart
