Acordes

- (riff 1) I see a red door and I want it painted black,
 (riff 1) no colors any more I want them to turn black.
 I see the girls walk by dressed in their summer clothes,
 I have to turn my head until the darkness goes.
- (riff 1) I see a line of cars and they're all painted black,
 (riff 1) with flowers and my love both never to come back.
 I see people turn their heads and quickly look away.
 like a new born baby it just happens every day.
- (riff 1) I look inside myself and see my heart is black,
 (riff 1) I see my red door and I want it painted black.
 Maybe then I'll fade away and not have to face the fact,
 it's not easy facing up when your whole world is black.
- (riff 1) No more will my green sea go turn a deeper blue,
 (riff 1) I could not forsee this thing happening to you.
 If I look hard enough into the setting sun
 my love will laugh with me before the morning comes.
- (riff 1) I want to see your face, painted black, black as night
 Don't wanna see the sun flying high in the sky
 I wanna see it painted, painted, painted, painted black
 Yeah....
