

The Rolling Stones - Under My Thumb

Tom: D
Intro:

Under my thumb
The girl who once had me down,
Under my thumb
The girl who once pushed me around,
It's down to me
The diff'rence in the clothes she wears
It's down to me
The change has come, she's under my thumb
Under my thumb
A squirming dog who's just had her days
Under my thumb
A girl who has just changed her ways
It's down to me
The way she does just what she's told
It's down to me
The change has come, she's under my thumb
Under my thumb
A siamese cat of a girl

Under my thumb
She's the sweetest pet in the world
It's down to me
the way she talks when she's spoken to
It's down to me
The change has come, she's under my thumb
It's down to me older
the way she talks when she's spoken to
It's down to me
The change has come, she's under my thumb
Under my thumb
Her eyes are just kept to herself
Under my thumb
Well I, I can still look at someone else
It's down to me older
the way she talks when she's spoken to
It's down to me
The change has come, she's under my thumb
