

The Rolling Stones - You Can't Always Get What You Want

Tom: C

(intro) C F C F

I saw her today at the reception
 A glass of wine in her hand
 I knew she was gonna meet her connection
 At her feet was her foot-loose man

And you can't always get what you want
 Honey, you can't always get what you want
 You can't always get what you want
 But if you try sometime, yeah,
 You just might find you get what you need

We went down to demonstration to get out fair share of abuse
 Singing we gonna vent our frustration
 If we don't we'll blow a fifty amp fuse

(refrão)
 So, I went to the Chelsea Drugstore to get your prescription filled

I was standing in line with my friend, Mr Jimmy
 And man did he look pretty ill
 We decide that we would have a soda
 My favority flavor was cherry red
 I sing this song to my friend Mr Jimmy
 And he said one word to me and that was dead

And you can't always get what you want?.

I saw her today at the reception
 In her glass a bleeding man
 She was practised at the art of deception
 I could tell by her blood-stained hands

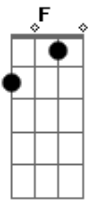

(solo base) C F C F C F
 (refrão)
 And you can't always get what you want?.

(dicas: mantenha a base em C e F, somente mudando no refrão, na parte "But if you try sometimes...", onde muda-se para D, F e C)
