

The Score - Best Part

tom:

[Primeira Parte]

I can be liar, I can be cheat
 I can be neurotic, I can be freak
 I can be everything in between
 But you always find the best part
 The best part of me

I just wanna say I'm sorry
 Some days I know get out of hand
 I wish that I was anybody else
 I'm a wreck but you understand

[Pré-Refrão]

I can't take myself
 I'm just not well
 My own worst enemy
 I can't help myself
 Think I'm going to hell
 I'll probably never leave

[Refrão]

I can be liar, I can be cheat
 I can be neurotic, I can be freak
 I can be colder than rolling stone

 I can be everything in between
 But you always find the best part
 The best part of me
