

The Score - Legend

tom:

Intro:

[Verso]

Here we go, here we go

It's about time that we set it off

Here we go, here we go

Red lights, I could never stop

A dreamer with the fever to be great was all I ever want, was all

I ever wanted

A finder with the fever for the fame was all I ever want, was all

I ever wanted

[Refrão]

Got me singin' like

Bang, bang

Bang, bang

Bang, bang

Let's fire the weapon

Bang, bang

Bang, bang

Bang, bang

Won't stop till we're legends

Won't stop till we're legends

Won't stop till we're legends

[Ponte]

Blood, sweat, I'll break my bones

Till all my scars bleed golden

My name's forever known

Woah-oh, woah-oh

Blood, sweat, I'll break my bones

Till all my scars bleed golden

My name's forever known

Woah-oh, woah-oh

Blood, sweat, I'll break my bones

Till all my scars bleed golden

My name's forever known

(Bang, bang, won't stop till we're legends)

Woah-oh, woah-oh

Bang, bang, won't stop till we're legends

When I'm gone they'll remember me, yeah

A dreamer with the fever to be great was all I ever want, was all

I ever wanted

A finder with the fever for the fame was all I ever want, was all

I ever wanted

[Refrão]

Got me singin' like

Bang, bang

Bang, bang

Bang, bang

Let's fire the weapon

Bang, bang

Bang, bang

Bang, bang

Won't stop till we're legends

Won't stop till we're legends

Won't stop till we're legends

[Ponte]

Blood, sweat, I'll break my bones

Till all my scars bleed golden

My name's forever known

Woah-oh, woah-oh

Blood, sweat, I'll break my bones

Till all my scars bleed golden

My name's forever known

Woah-oh, woah-oh

Blood, sweat, I'll break my bones

Till all my scars bleed golden

My name's forever known

(Bang, bang, won't stop till we're legends)

Woah-oh, woah-oh

Bang, bang, won't stop till we're legends
