Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down

Don't give yourself away

Don't live your life that way

Of course he's gonna say, anything you want

Then leave quicker than he came

Now you've got yourself to blame

Don't put yourself back in the fire again

It's the same damn things you're so quick to believe

You do it over and over again

And it's the same mistakes that I'm watching you weave

You do it over and over again

So before they bring you down

You gotta stand for something or you'll fall for anything

(Or you'll fall for anything, or you'll fall for

You gotta stand for something or you'll fall for anything

(Or you'll fall for anything, or you'll fall for)

Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down

Oh, please don't be so naïve

Don't wait till your heart bleeds

Love wasn't built for speed, listen to me girl

He keeps fuckin' with your head

Tryna get you into bed

And in the morning you'll just hate yourself

It's the same damn things you're so quick to believe

You do it over and over again

And it's the same mistakes that I'm watching you weave

You do it over and over again

So before they bring you down

You gotta stand for something or you'll fall for anything

(Or you'll fall for anything, or you'll fall for) yeah yeah

You gotta stand for something or you'll fall for anything

(Or you'll fall for anything, or you'll fall for)

Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down

And you give until there's nothing to give

Until there's nothing to give until there's nothing to give...

And you give until there's nothing to give

Until there's nothing to give until there's nothing to give...

And you give until there's nothing to give

Until there's nothing to give until there's nothing to give...

Before they bring you down

You gotta stand for something or you'll fall for anything

(Or you'll fall for anything, or you'll fall for) for anything, anything...

You gotta stand for something or you'll fall for anything

(Or you'll fall for anything, or you'll fall for) for anything, whoa yeah

You gotta stand for something or you'll fall for anything, whoa whoa

(Or you'll fall for anything, or you'll fall for) for anything, anything

You gotta stand for something or you'll fall for anything

(Or you'll fall for anything, or you'll fall for) for anything, whoa yeah

Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down

Girl that brings you down, down, down
