

The Script - If You Ever Come Back

Tom: ^G

If you're ^G standing with your suitcase

But you can't step on the train

^C Everything's the way that you left it I still haven't slept yet

^G And if you're covering your face now

But you just can't hide the pain

^C Still setting two plates on the counter but eating without 'cha

^G If the truth is you're a liar

When you say that you're okay

^C I'm sleepin on your side of the bed goin' out of my head now

^G And if you're out there try'na move on

But somethin' pulls you back again

^C I'm sitting here try'na persuade you like your in the same room

^{Em} And I wish you could give me the cold ^G shoulder

^D And I wish you could still give me a hard time ^C

^{Em} And I wish I could still wish it was over ^G

^D But even if wishing is a waste of time

^D Even if I never cross your mind

^G I'll leave the door on the latch

^D If you ever come back if you ever come back

^C There'll be a light in the hall and a key under the mat

If you ever come back

^G There'll be a smile on my face and the kettle on

^D And it will be just like you were never gone

^C There'll be a light in the hall and a key under the mat

^G If you ever come back if you ever come back now

^D Oh if you ever come back if you ever come back now ^C

^D If it's the fighting you remember or the little things you miss ^C

^D I know you're out there somewhere so just remember this

^D If it's the fighting you remember or the little things you miss ^C

Oh just remember this, oh just remember this

^G I'll leave the door on the latch

^D If you ever come back if you ever come back

^C There'll be a light in the hall and a key under the mat

If you ever come back

^G There'll be a smile on my face and the kettle on

^D And it will be just like you were never gone

^C There'll be a light in the hall and a key under the mat

^G If you ever come back if you ever come back now

^D Oh if you ever come back if you ever come back now ^C

^G Now they say I'm wasting my time

^C 'Cause you're never comin home

But they used to say the world was flat but how wrong was that now

^G And by leavin' my door open

^C I'm risking everythin' I own

There's nothin' I can lose in a break-in that you haven't taken

^{Em} And I wish you could give me the cold ^G shoulder

^D And I wish you could still give me a hard time ^C

^{Em} And I wish I could still wish it was over ^G

^D But even if wishing is a waste of time

^C Even if I never cross your mind

^G I'll leave the door on the latch

^D If you ever come back if you ever come back

^C There'll be a light in the hall and a key under the mat

If you ever come back

^G There'll be a smile on my face and the kettle on

^D And it will be just like you were never gone

^C There'll be a light in the hall and a key under the mat

^G If you ever come back if you ever come back now

^D Oh if you ever come back if you ever come back now ^C

^D If it's the fighting you remember or the little things you miss ^C

^D I know you're out there somewhere so just remember this

^D If it's the fighting you remember or the little things you miss ^C

Oh just remember this, oh just remember this

^G I'll leave the door on the latch

^D If you ever come back if you ever come back

^C There'll be a light in the hall and a key under the mat

If you ever come back

^G There'll be a smile on my face and the kettle on

^D And it will be just like you were never gone

^C There'll be a light in the hall and a key under the mat

^G If you ever come back if you ever come back now

^D Oh if you ever come back if you ever come back now ^C

^G And it will be just like you were never gone

^D And it will be just like you were never gone

^C And it will be just like you were never gone

^G If you ever come back if you ever come back now
