

The Script - If You Ever Come Back

Tom: G

If you're standing with your suitcase
 But you can't step on the train
 Everything's the way that you left it I still haven't slept yet

And if you're covering your face now
 But you just can't hide the pain
 Still setting two plates on the counter but eating without 'cha

If the truth is you're a liar
 When you say that you're okay
 I'm sleepin on your side of the bed goin' out of my head now

And if you're out there try'na move on
 But somethin' pulls you back again
 I'm sitting here try'na persuade you like your in the same room

And I wish you could give me the cold shoulder
 And I wish you could still give me a hard time
 And I wish I could still wish it was over
 But even if wishing is a waste of time
 Even if I never cross your mind

I'll leave the door on the latch
 If you ever come back if you ever come back
 There'll be a light in the hall and a key under the mat
 If you ever come back
 There'll be a smile on my face and the kettle on
 And it will be just like you were never gone
 There'll be a light in the hall and a key under the mat
 If you ever come back if you ever come back now
 Oh if you ever come back if you ever come back now

Now they say I'm wasting my time
 'Cause you're never comin home
 But they used to say the world was flat but how wrong was that now

And by leavin' my door open

I'm risking everythin' I own
 There's nothin' I can lose in a break-in that you haven't taken

And I wish you could give me the cold shoulder
 And I wish you could still give me a hard time
 And I wish I could still wish it was over
 But even if wishing is a waste of time
 Even if I never cross your mind

I'll leave the door on the latch
 If you ever come back if you ever come back
 There'll be a light in the hall and a key under the mat
 If you ever come back
 There'll be a smile on my face and the kettle on
 And it will be just like you were never gone
 There'll be a light in the hall and a key under the mat
 If you ever come back if you ever come back now
 Oh if you ever come back if you ever come back now

If it's the fighting you remember or the little things you miss
 I know you're out there somewhere so just remember this
 If it's the fighting you remember or the little things you miss
 Oh just remember this, oh just remember this

I'll leave the door on the latch
 If you ever come back if you ever come back
 There'll be a light in the hall and a key under the mat
 If you ever come back
 There'll be a smile on my face and the kettle on
 And it will be just like you were never gone
 There'll be a light in the hall and a key under the mat
 If you ever come back if you ever come back now
 Oh if you ever come back if you ever come back now

And it will be just like you were never gone
 And it will be just like you were never gone
 And it will be just like you were never gone
 If you ever come back if you ever come back now
