(com acordes na forma de G )  
Capostrate na 2ª casa

**G**  
Who would have thought that I'd be here by myself?  
**Bm**  
Who would have thought that you'd be bad for my health?  
**C**  
Now I know, now I know  
**G D**  
I'm just a man on a wire, oh

**G**  
Who would have thought I'd be the cause and effect?  
**Bm**  
Yesterday's love is not tomorrow's regrets  
**C**  
Now I know, now I know  
**G D**  
I'm just a man on a wire, oh

**C**  
No, I can't look down  
I'm trying to fight the feeling  
**D Em**  
I will fall to the ground  
If I ever see you  
**G C D**  
'Cause I, I, I, I

**G**  
Feel like I'm walkin' a tightrope  
**D**  
My heart is in my throat  
**Em C**  
I'm counting on high hopes to get me over you  
**G**  
And I've got my eyes closed  
**D**  
As long as the wind blows  
**Em C**  
I'm counting on high hopes to get me over you, you  
**G D**  
Cause I'm a man on a wire, on a wire  
**Em C**  
I'm a man on a wire, on a wire

**G**  
Who would have thought I'd see you with someone else?  
**Bm**  
Who would have thought that I'd be in such a mess?  
**C**  
Now you know, now you know  
**G D**  
I'm just a man on a wire, oh

**C**  
But I walk that line

I try to keep my senses  
**D Em**  
Make it to the other side  
**G C D**  
I know the consequences and I, I, I, I

**G**  
Feel like I'm walkin' a tightrope  
**D**  
My heart is in my throat  
**Em C**  
I'm counting on high hopes to get me over you  
**G**  
And I've got my eyes closed  
**D**  
As long as the wind blows  
**Em C**  
I'm counting on high hopes to get me over you, you  
**G D**  
Cause I'm a man on a wire, on a wire  
**Em C**  
I'm a man on a wire, on a wire  
**G D**  
Cause I'm a man on a wire, on a wire  
**Em C**  
Cause I'm a man on a wire, on a wire

**D Em**  
The higher it gets, oh  
**C G**  
The more I miss the ground  
**D Em**  
No safety nets, oh  
**C G**  
Now you're not around  
**D Em**  
I have to keep walking  
**C G D**  
To keep me from falling down yeah

**G**  
Feels like I'm walkin' a tightrope  
**D**  
My heart is in my throat  
**Em C**  
I'm counting on high hopes to get me over you  
**G**  
And I've got my eyes closed  
**D**  
As long as the wind blows  
**Em C**  
I'm counting on high hopes to get me over you, you  
**G D**  
Cause I'm a man on a wire, on a wire  
**Em C**  
I'm a man on a wire, on a wire  
**G D**  
Cause I'm a man on a wire, on a wire  
**Em G**  
Cause I'm a man on a wire, on a wire  
(termine com **C**)
