

The Script - Nothing

Tom: D
Intro: 2x: D Bm A

Verso:
Am I better off dead
Am I better off a quitter
They say I'm better off now
Than i ever was with her
As they take me to my local down the street
I'm smiling but I'm dying trying not to drag my feet
They say a few drinks will help me to forget her
But after one too many I know that I'm never
Only they can see where this is gonna end
But they all think I'm crazy but to me it's perfect sense

Refrão:
And my mates are all there trying to calm me down
'Cause I'm shouting your name all over town
I'm swearing if i go there now
I can change your mind turn it all around

And I know that I'm drunk but I'll say the words
And she'll listen this time even though there slurred
Dial her number and confess to her
I'm still in love but all i heard was nothing

Refrão:
And my mates are all there trying to calm me down
'Cause I'm shouting your name all over town
I'm swearing if i go there now

I can change your mind turn it all around
And I know that I'm drunk but I'll say the words
And she'll listen this time even though there slurred
Dial her number and confess to her
I'm still in love but all i heard was nothing
Verso:
Oh sometimes love is intoxicating
Oh you're coming down your hands are shaking
When you realise there's no one waiting
Am I better off dead
Am I better off a quitter
They say I'm better off now
Than I ever was with her

Refrão:

Igual Refrão:
She said nothing
Oh I wanted words but all I heard was nothing
Oh I got nothing
Nothing
I got nothing
Nothing
Oh I wanted words but all I heard was nothing
Oh I got nothing
I got nothing
I got nothing
