

# The Script - Rusty Halo

Tom: C

It's been a long time coming  
 It's been a long time coming  
 It's been a long time coming  
 But you know you had it coming  
 Know you had it coming

Everyone's running from something  
 But we don't know when it's coming  
 So we keep running and running

Everyone's running from something  
 But we don't know when it's coming  
 So we keep running and running and running

Now I'm looking up the bible tryna find a Loophole  
 Ye I'm living for revival, dying for a new soul  
 Now there's no light to guide me on my way home  
 Now there's no time to shine my rusty halo

It's been a long time coming  
 It's been a long time  
 Yeah, it's been a long time  
 It's been a long time coming  
 Been so long  
 But I gotta shine, shine, shine

My rusty halo, woah  
 Gotta shine my rusty halo, woah  
 Gotta shine my rusty halo

Now I'm running for the light in the tunnel but it's just the train  
 (But it's just a train)

Yeah I'm looking for the right type of pleasure but all I find is pain whoa  
 Now there's no light to guide me on my way home  
 Now there's no time to shine my rusty halo

It's been a long time coming  
 It's been a long time  
 It's been a long time coming  
 Yeah, it's been a long time  
 It's been a long time coming  
 Been so long  
 But I gotta shine, shine, shine

My Rusty halo, woah  
 Gotta shine my Rusty halo, woah  
 Gotta shine my rusty halo

It's been a long time  
 It's been a long time  
 It's been a long time  
 I know I had coming yeah  
 I know I had coming yeah  
 I know I had coming yeah  
 I know, that I gotta shine, shine, shine

My Rusty halo, woah  
 Gotta shine my Rusty halo, woah  
 Gotta shine my Rusty halo, woah  
 Gotta shine my Rusty halo, woah

I gotta shine...

Everyone's running from something  
 But we don't know when it's coming  
 So we keep running and running

Everyone's running from something  
 But we don't know when it's coming  
 So we keep running and running
