

The Script - Superheroes

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D)

All the life she has seen, All the meaner side of me

They took away from the prophet's dream

For Profit on The Street

Now she's stronger than you know

A heart of steel starts to grow

All his life, he's been told, He'll be nothing when he's old

All the kicks and all the blows

He will never let it show

Cause he's stronger than you know

A heart of steel starts to grow

When you've been fighting for it all your life

You've been struggling to make things right

That's how a superhero learns to fly

Every day, every hour turn the pain into power

When you've been fighting for it all your life

You've been working every day and night

That's how a superhero learns to fly

Every day, every hour, turn that pain into power

(G D Bm A)

All the hurt, all the lies, All the tears that they cry

When the moment is just right

You'll see the fire in their eyes

Cause they're stronger than you know

A heart of steel starts to grow

When you've been fighting for it all your life

You've been struggling to make things right

That's how a superhero learns to fly

Every day, every hour turn the pain into power

When you've been fighting for it all your life

You've been working every day and night

That's how a superhero learns to fly

Every day, every hour, turn that pain into power

(G D Bm A)

(G D A A)

She's got a lions in her heart, a fire in her soul

He's got a beast in his belly, that's so hard to control

Cause they've taken too much hits, taking blow by blow

Now light them up, stand back, watch them explode

She's got a lions in her heart, a fire in her soul

He's got a beast in his belly, that's so hard to control

Cause they've taken too much hits, taking blow by blow

Now light them up, stand back, watch them explode
