

The Scuds - Why?

```
tom:
Sit alone on the floor,
G D G When we?ll go to the war?
Fake faces in your way
G D G
How is your day?
I need a time
    D
to think in all things in life,
G D G
And why I?m on the floor
I know I need more,
But I don?t know why
Why people dreams?
Why people have feelings?
I really don?t know the life
```

```
I don?t know my day
I don?t know my way
Fly alone in the sky,
When do we need to go to war?
Fake faces in your way
Don?t wanna know your day
I wanna live
I wanna to be free
I need a time to think in
all things in life,
And why I?m sky
Why people dreams?
Why people have feelings?
```

I don?t know the time **Acordes**
