

The Seahorses - Suicide Drive

tom:

A

A

Please, may I leave the table?

I don't think that I'll be able

To swallow your family values

Again today

Because a giant squid

He stole my wife and kid
Full story and pix

Ten pence off your Weetabix

B

Yeah Sometimes this world just

Gb

Drives you crazy, lately

Yeah and the smoke gets in your eyes

Run the exhaust back inside

Close the window and take a ride

I've got a place to go

There's nowhere to hide on Suicide Drive

(D A)

Drive as fast as you can

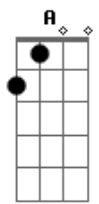

I speed therefore I am

And no one can tell me

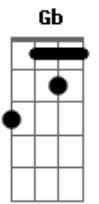

Better when I'm high

But the earth's full of holes

And outer space is closed
It's mine and I'll wash it, as fast

As I like it while I've got it

B

Yeah Sometimes this world just

Gb

Drives you crazy, lately

Yeah and the smoke gets in your eyes

Run the exhaust back inside

Close the window and take a ride

I've got a place to go, nowhere

To hide on Suicide Drive

D

A

Mile after mile

Super-duper, mega-hyper

Choca-blocka aisles

Where do we go from here?

B

Sometimes this world just

Gb

Drives you crazy, lately

Yeah and the smoke gets in your eyes

Run the exhaust back inside

Close the window and take a ride

I've got a place to go, nowhere

To hide on Suicide Drive
