I saw him today, I saw his face
It was the face I loved, and I knew
I had to run away
And get down on my knees and pra-a-ay, that they'd go away
And still they begin,-----needles and pins
Because of all my pride, the tears I gotta hide
Oh I thought I was smart, I'd won his heart
I didn't think I'd lose, but now I see
She's worse to him than me, let her go ahead
Take his love instead, and one day he will see
Just how to say please-----and get down on his knees
Oh that's how it begins, he'll feel those needle and pins

Why can't I stop, and tell myself I'm wrong, I'm wrong, so wrong
Why can't I stand up, and tell myself I'm strong
n.C.
Because, I saw him today, I saw his face
It was the face I loved, I can't let go
Although I know he'll make me cry
Oh a wo-ah woh till the day I die
But people I got to live now
And though I know that I'll just forgive now
Yeah when it begins, he'll feel those needle and pins
Stop those needles, stop those pins
Lord when they begin, oh won't you hear what I say
Somebody take them away, stop 'em now, stop 'em
Stop those needles and pins
Oh when they begin I feel those needles and pins
