

# The Seatbelts - Rain

Tom: **D**

**E**  
I don't feel a thing  
**D**  
And I stopped remembering  
**A** **E**  
The days are just like moments turned to hours  
**E**  
Mother Used to say  
**D**  
If you want, you'll find a way  
**A** **E**  
Bet mother never danced through fire shower  
  
**C** **E** **C** **E**  
Walk... in the rain... in the rain... in the rain.  
**Fm** **C**  
I walk in the rain, in the rain  
**Fm** **C**  
Is it right or is it wrong  
**Ab** **G**  
And is it here that I belong  
  
**E**  
I don't hear a sound  
**D**

Silent faces in the ground  
**A** **E**  
The quiet screams, but I refuse to listen  
**E**  
If there is a hell  
**D**  
I'm sure this is how it smells  
**A** **E**  
Wish this were a dream, but no, it isn't  
  
**C** **E** **C** **E**  
Walk... in the rain... in the rain... in the rain.  
**Dbm** **Ab**  
I walk in the rain, in the rain  
**Fm** **C**  
**Am** I right or am I wrong  
**Ab** **G**  
And is it here that I belong  
  
**C** **E** **C** **E**  
Walk... in the rain... in the rain... in the rain  
**Dbm** **Ab**  
I walk in the rain, in the rain  
**Fm** **C**  
Why do I feel so alone  
**Ab** **G**  
For some reason I think of home
