

# The Self-Escape - I Know

G

(D7 Db7 Gbm A )

tom:

I know  
 I should've known  
 The way you made it cold  
 For long  
 Even before  
 Your father left you alone  
 Before your mama cried  
 Before I saw your phone

What do you feel when you look at my  
 Face and talk about trust  
 Talk about love  
 About hope, about lust

Now we're standing  
 In the same room  
 You're pretending

Now I know what you did to us  
 When we were far apart  
 Expecting the day  
 That it all would end

In a night like  
 The ones that we  
 Kept creating

I know  
 I should've known  
 The way you made it cold  
 For long  
 Even before  
 Your father left you alone  
 Before your mama cried  
 Before I saw your phone

I know  
 I should've known  
 The way you made it cold  
 For long  
 Even before  
 Your father left you alone  
 Before your mama cried

Before I saw your phone  
 Oh I saw your phone

(D7 Db7 Gbm B7 )

Should I call you outside?  
 Can I tell you inside?  
 Can you handle the blame?  
 Can you still say my name?  
 Didn't do it last time  
 Did you consider the pain?

Should I call you outside?  
 Can I tell you inside?  
 Can you handle the blame?  
 Can you still say my name?  
 Don't you say my name  
 Please don't say my name

(D7 Db7 Gbm A )

What do you feel now?  
 You're looking down  
 I don't know if it's fake  
 And I don't know  
 What to think or to say

But I'm leaving  
 Yeah I'm leaving

I know  
 I should've known  
 The way you made it cold  
 For long  
 Even before  
 Your father left you alone  
 Before your mama cried  
 Before I saw your phone  
 Oh I saw your phone

I know  
 I should've known  
 The way you made it cold  
 For long  
 Even before  
 Your father left you alone  
 Before your mama cried  
 Before I saw your phone  
 Oh I saw your phone
