

# The Self-Escape - Inner Fights

tom:

Intro: G Bm A  
G Bm A

G  
Here I sit  
Wondering if I'll forget  
The empties that you could fit  
The brightness you bring within

G  
In my mind  
The thoughts of you come and thrive  
Waking me up all night  
And making me deal with my

G  
Inner Fights  
Hoping you were by my side  
I cannot believe my eyes  
You are so far tonight

G  
Burns all day  
I look around for your face  
And the memories that we could make

Bm A  
If you were right here today  
Dealing with my

G  
Inner Fights  
Hoping you were by my side  
I cannot believe my eyes  
You are so far tonight

G Bm A  
And I keep starring for hours a day  
E  
All the choices I made that were wrong  
So (wrong)

G  
Inner Fights  
Hoping you were by my side  
I cannot believe my eyes  
You are so far tonight

G  
In her fights  
I wish I was by her side  
Making her feel alright  
And I would be fine inside

## Acordes
