[Primeira Parte]

When you wake up in the evening  
You will waste your chance to grow  
Fourteen years of living's how I know  
And if you think that's a foolproof  
Plan  
Then you better find another man  
And if you feel like your bound to rust  
Or you don't know who to trust  
Well you'll never know, how I love you  
So

## Acordes

How I love you so  
( C Gm C )  
[Segunda Parte]  
Everybody lies  
And no one wonders why  
And if you're dressed out all the time  
Little darling  
I get that wondering eye  
You'll never know  
How I love you so  
How I love you so  
Yeah I love you so  
You'll never know  
You'll never know  
How I love you so  
[Final]
