[Primeira Parte]

When you wake up in the evening  
 You will waste your chance to grow  
 Fourteen years of living's how I know  
 And if you think that's a foolproof  
 Plan  
 Then you better find another man  
 And if you feel like your bound to rust  
 Or you don't know who to trust  
 Well you'll never know, how I love you  
 So

How I love you so  
 ( C Gm C )  
 [Segunda Parte]  
 Everybody lies  
 And no one wonders why  
 And if you're dressed out all the time  
 Little darling  
 I get that wondering eye  
 You'll never know  
 How I love you so  
 How I love you so  
 Yeah I love you so  
 You'll never know  
 You'll never know  
 How I love you so  
 [Final] Gm C Gm C Gm

## Acordes
